If you want the best party possible for your special birthday child, come party with us! Rentals include a huge assortment of equipment, trampoline, tumble trak, and enough fun to fill their birthday celebration! Time will be split between structured games, open gym time, as well as time set aside for cake (you provide) and presents.

- All parties are private - you do not share the building or your time with other parties or an open gym!

- Party holders may arrive up to 15 minutes before the party begins to set up as well as stay 15 minutes after to take down.

- Parents can take pictures and videos on the floor.
